Our ref: DEX000968 Further Extension

23 March 2018

Dear Chris Hodgkins,

I refer to your request, where you asked:

---

I would be grateful if you could let me know if and impact analysis on the arts in the UK leaving the European Union has been commissioned, the date it was commissioned and the date it was published. I would also be grateful for a copy of the analysis or an opportunity to read the analysis.

---

I am writing to advise you that I must further extend the time limit for our response.

We require further time to consider the public interest test under the following exemptions of the Act:

- Section 35(1)(a) of the Act, refers to information relevant to the Government policy-making process and the delivery of effective government.

By virtue of section 10(3), when public authorities have to consider the balance of the public interest in relation to a request, they do not have to comply with the request until such time as is reasonable in the circumstances. We wish to fully consider where the balance of the public interest lies in relation to your request.

I hope to let you have a response within a further 20 working days of 23 March. If I can reply before that date, I shall do so.

If you have any queries about this letter, please contact the FOI team. Please remember to quote the reference number above in any future communications.

Yours sincerely,

**FOI Team**
